If a document has already been accepted (upto the 10th) by the recipient, then such document has to be reset / unlocked by the recipient and only then, it can be edited by the supplier upto the 10th of the following month. Following two scenarios may arise:
 - (i) In case, the recipient files his return on monthly basis, all the documents uploaded by any supplier [irrespective of the fact whether the supplier files his return on monthly or quarterly (Normal, Sahaj or Sugam) basis] shall be available for acceptance by such recipient upto the 10th of the month following the month for which the return is being filed. The supplier can edit the documents so accepted by the recipient only if the same are re-set/unlocked by the recipient by the said date.

The supplier can edit the documents so accepted by the recipient only if the same are re-set/unlocked by the recipient by the said date.
2. **Supplier side Amendment** - The return system provides for all editing or amendments from the supplier's side only. The recipient will have the option to reset / un-lock or reject a document but editing of or amendment to the same shall be made by the supplier only.
3. **Edit / Amendment after 10th of the following month** -The details of the documents uploaded by the supplier upto the 10th of the month following the month or quarter for which the return is being filed for will be auto-populated and made available to the recipient in FORM GST ANX-2 to accept, reject or to keep the document pending.
4. Instructions regarding acceptance, rejection or kept pending by the recipient may be referred to in the instructions to FORM GST ANX-2.
5. Documents rejected by the recipient shall be conveyed to the supplier only after filing of the return by the recipient.
6. The rejected documents may be edited before filing any subsequent return for any month or quarter by the supplier. However, credit in respect of the document so edited or uploaded shall be made available through the next open FORM GST ANX-2 for the recipient. However, the liability for such edited documents will be accounted for in the tax period (month or quarter) in which the documents have been uploaded by the supplier.
7. **Shifting of Documents** - In certain situations, the particulars of the document may be correct but the document has been reported in the wrong table. Therefore, when such documents are rejected by the recipient, instead of amending the document, a facility of shifting such documents to the appropriate table will be provided.
8. **Amendment of documents relating to supplies made to persons other than persons filing return in FORM GST RET-1/2/3(e.g. supplies made to composition taxpayers, ISD, UIN holders etc.)** – The documents relating to such supplies may be amended by the supplier at any time and the same shall not be dependent upon the action taken (accept/reject/pending) by the recipient.

4. Accepted documents would not be available for amendment at the corresponding supplier's end. However, a separate facility to handle such cases will be provided.
5. For the purposes of the return process, any invoice with an error that cannot be corrected through a financial debit / credit note shall be rejected. For example-
 - (i) the recipient does not agree with some of the details such as HSN Code, tax rate, value etc. These are certain errors which cannot be corrected through debit/credit notes.
 - (ii) GSTIN of the recipient is erroneous and therefore, it is visible in the FORM GST ANX-2 of a registered person who is not concerned with the supply. These are certain errors which cannot be corrected through debit/credit notes.
6. Supplier can make corrections in the rejected documents through FORM GST ANX-1 as the rejected documents would be shown to the supplier.
7. Pending action will mean that the recipient has deferred the decision of accepting or rejecting the details of the invoices. There may be multiple reasons for the same such as supplies are yet to be received or the recipient decides that ITC is not to be taken for the time being etc.
8. The input tax credit in respect of pending invoices shall not be accounted for in table 4A of the main return (FORM GST RET-1) of the recipient and such invoices would be rolled over to FORM GST ANX-2 of the next tax period.

10. Any document, on which an affirmative action of either accepting the document or keeping the document pending or rejecting the document is not taken by the recipient in his FORM GST ANX-2, shall be deemed to be accepted upon filing of the return by him. 12. Trade name of the supplier will also be shown along with GSTIN. Legal name will be shown where trade name is not available.

13. Separate functionality would be provided to search and reject an accepted document on which credit has already been availed. Input tax credit availed on such document shall be shown for reversal in table 4B(1) of FORM GST RET-1 which may be adjusted in table 4A(11) of FORM GST RET-1 to arrive at the amount of input tax credit availed. However, such reversal of credit for the recipient will be with interest as per the provisions of the Act read with the rules made thereunder.
14. FORM GST ANX-2 will be treated as deemed filed upon filing of the main return (FORM GST RET-1) relating to the tax period.
15. The documents uploaded in FORM GST ANX-1 for month 'M' by a supplier who did not file his return for the previous two consecutive tax periods (M-1 and M-2 months) shall be made available to the recipient in FORM GST ANX-2 with an indication that the credit shall not be available on such documents. In other words, such documents will be visible to the recipient but the recipient cannot claim ITC on such inward supplies. However, the recipient can reject or keep such documents pending until filing of return by the supplier.
